

Director of Finance, Panama

The Company is an operating mining company, primarily focused on gold production. This position is based in the Americas, in a country that has a stable economic and political environment.

This role will report in to the CFO.

The company offers an attractive compensation package, commensurate with qualifications and experience.

Responsibilities

- The position will assume responsibility for the full Accounting function including preparation of monthly and quarterly financial statements, as well as the consolidated AFS; tax, budgeting, and forecasting, etc.
- The role will have responsibility for managing a small accounting department, with at least four direct reports.
- The Director of Finance will work closely with External Auditors, Bankers, staff members, and other stakeholders.

Qualifications

- Fluent (oral and written) in both English and Spanish
- An accounting degree. Professional accounting designation preferred.
- Experience with Canadian GAAP, US GAAP, or IFRS.
- Proficiency in Microsoft Excel and Word.
- Experience in the Mining Sector would be a distinct advantage.
- Supervisory and management experience.
- An audit background; prior to working in the Mining Industry.

Core Competencies

- An entrepreneurial spirit and a “can do” attitude.
- A collegial and easygoing management style.
- Able to strategize and prioritize to effectively meet short and long-term goals.
- The ability to quickly build rapport with all kinds of people (accounting and technical).
- The desire to freely share one’s knowledge with subordinates and colleagues alike.
- An excellent team player, who fosters positive relationships and is able to work harmoniously with all kinds of people in a productive way
- Excellent communication and interpersonal skills.
- An individual who is flexible, adaptable, and readily embraces change.
- The successful candidate should be results-oriented and have a strong sense of urgency.
