

MINE SUPERINTENDENT – PANAMA

Company Overview

Our client, a Panamanian, Gold Producer, is looking to hire an experienced Mine Superintendent for their operations. The position will report in to the Chief Operating Officer (COO).

The Mine Superintendent will lead a team of over 100 people. This is an Open Pit Mine.

The Company offers an attractive compensation package; commensurate with qualifications and experience.

Responsibilities:

- Full responsibility for managing an Open Pit Mine.
- Mine planning and budgeting.
- Responsible for all Drilling, Blasting, and Sampling activities.
- Must have a very good knowledge of tonnage and grading of ore.
- Responsible for stockpiling and inventory controls.

Qualifications:

- A degree in Chemistry, Mining Engineering, or Metallurgy.
- Very good experience in all facets of Management, Safety, Drilling, Blasting, Inventory, and Stockpiling.
- Excellent experience in Mine Planning and Budgeting.
- Solid experience in dealing with heavy equipment and the allocation of resources.
- A sound knowledge of Computer Software, such as Gemcom and other 3D software; specific to the Mining Industry.
- An excellent knowledge of topography.

Core Competencies:

- Fluent in English and Spanish.
- Excellent communication and interpersonal skills.
- An excellent team player, who fosters positive relationships and can work harmoniously with an existing team.
- Good at teaching and mentoring staff.

If you are interested in this exciting opportunity, please submit your resume and cover letter, in Word format, to:
